

May 20, 2010

A message from High Tide owners David & Stephanie to our families, friends and customers:

Thank you for the many thoughts and prayers you shared with us in late April and early May as we suffered the unexpected and tragic loss of David's dad. We have been grieving and helping our daughters deal with the loss of their Papa.

To our customers: thank you for your understanding and patience as we shifted schedules and you graciously worked with us.
